

### 1. PRODUCT SUMMARY

The Primex Verge Raceway™ is a lightweight, easy-to-install and aesthetically-pleasing cable management solution that pairs well with the Primex PR2300 Media Distribution Enclosure.

Made from durable vinyl, the Verge Raceway™ is available in three convenient sizes (1/2", 1", 1.5"). Multiple accessories available for a tidy cable run. Simply affix the base to the wall, press the cable in, and snap on the finishing lid to lock cables in and provide a low-profile installation with a clean finish. Paintable white base and lid sold together.

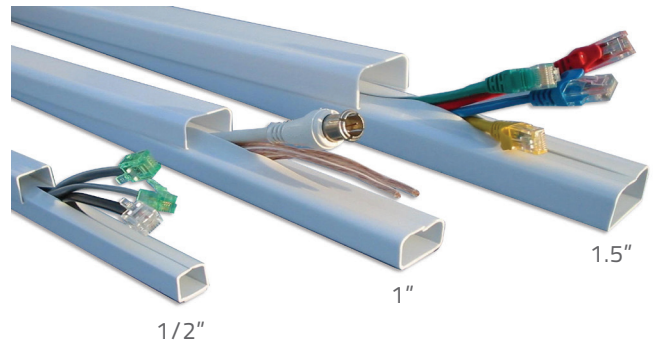

### 2. PRODUCT DIMENSIONS

SIZES: 0.5", 1" or 1.5" wide x 72" long (120ft/box)

### 3. FEATURES & BENEFITS

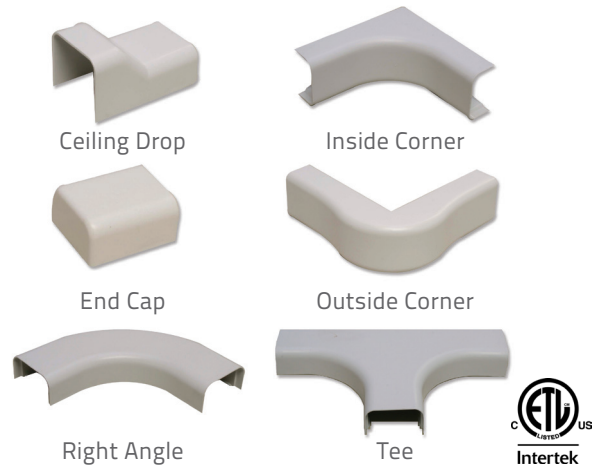

- Available in three widths by allowing for multiple cables to be securely and discretely run throughout a residence, MDU or business.
