

### 1. PRODUCT SUMMARY

The Primex Surface Mount Ports for Cat5e, Cat6 and RJ12 jacks offer application scalability in a small footprint.

Easily affixed to the wall and compatible with standard Cat5e, Cat6 and SC/APC keystones, they offer scalable access to high-speed data on the premises.

Pair them with Primex keystones for a complete surface mount wall box solution.

### 2. PRODUCT DIMENSIONS

SIZE: 1.4-2.4"L x 2.3"W x 1"H

### 3. FEATURES & BENEFITS

- 1-2 port options for fitting standard Cat5e, Cat6 and/or RJ12 keystones. Only 1-port model fits fiber SC/APC keystone.
- 3 knock-outs for cable entry.
- Small footprint for discrete cabling.
- Snap on cover for easy access and screwless aesthetics.
- Includes mounting screws, adhesive, tape, cable tie for strain relief.
- Write-on label for identification.
- Classic white.
